

2023 Pesticide CEU/CCA Credit Instructions

A Simple 2-Step Process:

THE PESTICIDE CEU/CCA APPLICATION PROCESS IS A SIMPLE, 2-STEP PROCESS:

1. Fill out the CEU/CCA Application Form, one time.

All attendees applying for CEU/CCA credits are required to complete the **CEU Application Form**. This only needs to be filled out **ONE TIME**. To complete the form, scan the QR code to the right using the camera on your smartphone or visit

<https://www.surveymonkey.com/r/23SERegCEUApp>.

This form collects additional, unique information required by each of the individual CEU providers.

[QR Code for the CEU Application Form:](#)

2. Badge scan-in.

As attendees enter an educational room, attendees will have their name badge scanned to “check in” for that educational session. This will be the method by which you will sign up for CEU/CCA credits. There will not be a paper sign in sheet or roster. This has been approved by all CEU/CCA providers.

Pesticide CEUs will only be available during the live, in-person Conference.

For questions about CEU's, contact SE Regional staff at the Georgia Fruit and Vegetable Growers Association office, (706) 845-8200.

For more complete details about the 2023 Southeast Regional Fruit and Vegetable Conference visit, www.seregionalconference.org.
